## Message from the President

Central Georgia Technical College is glad to welcome you as part of the family! Each year, the College serves more than 30,000 unique individuals from communities within in our 11-county service area and from across the state of Georgia. CGTC has even expanded our reach to include international partners through contract training, economic development programs, and study abroad opportunities. With nearly two hundred academic programs, GED® and test preparation, continuing education, and customized business and industry training, the College plays a vital role in preparing an educated workforce to support a healthy local economy.

As a unit of the Technical College System of Georgia, we guarantee our graduates are prepared to work in today's most advanced and demanding jobs. By partnering with local business leaders and industry professionals, we ensure that our students are learning through hands-on experiences utilizing the latest technology found in today's work environment. Our students can gain valuable knowledge from our instructors as they are experts in their fields with true industry experience.

CGTC seeks to make sure that our students are our top priority. The College wants to ensure that a student's time at CGTC is beneficial in helping achieve personal and educational goals, with little or no debt. Providing a well-rounded collegiate experience is important in shaping workforce leaders. Therefore, we highly encourage our students to participate in one of the many professional

development student organizations on campus which can help a student build essential leadership characteristics that can be utilized in any career opportunity.

As one of the largest two year colleges in the state, we are proud of each graduate and we seek to make sure that each student finds their own connection to a career. Please take time to review CGTC's programs and services and discover how we can help you!

**Ivan H. Allen, Ed.D.**

## General Catalog

Central Georgia Technical College (CGTC) has prepared this catalog and student handbook for the convenience of prospective students, current students, faculty, and staff. Information pertaining to course offerings, admissions, financial aid, regulations, and other special services available to the general public is contained in this document.

The statements in this bulletin are for informational purposes only and are not the basis of a contract between a student and the College.

While the provisions of this catalog and student handbook will ordinarily be applied as stated, Central Georgia Technical College reserves the right to change any provision listed, including but not limited to: entrance requirements and admissions procedures, courses and programs of study, academic requirements for graduation, fees and charges, financial aid, rules and regulations, and the school calendar, without actual notice to individual students. Every effort will be made to keep students advised of any such changes and to minimize the inconvenience such changes might create for students. Information on changes will be available in the Office of Student Affairs. It is especially important that each student accept personal responsibility to be informed of all changes, including academic requirements for graduation.

## Statement of Equal Opportunity

Central Georgia Technical College does not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, veteran status, or citizenship status (except in those special circumstances permitted or mandated by law). The following person(s) has been designated to handle inquiries regarding the non-discrimination policies:

The Title IX/Section 504/ADA Coordinator for CGTC nondiscrimination policies is Linda Hampton, Executive Director of Conduct, Appeals & Compliance; Room J-133, 3300 Macon Tech Drive, Macon, GA 31206; Phone: (478) 757-3408; Fax: (478) 471-5197; Email [hampton@centralgategatech.edu](mailto:hampton@centralgategatech.edu).

## Technical Education Warranty

The Technical College System of Georgia warranty guarantees employers that graduates of Georgia technical colleges have demonstrated competencies as defined by the Industry Technical Committee and which are included in approved state curriculum standards. Should any student within two years of graduation not be able to perform one or more of the competencies as specified in the standards, including failure to pass a state required licensure examination, TCSG agrees to provide specific retraining at any state technical college offering the program to the former student at no cost to the employer or graduate for tuition or instructional fees.
