

Echocardiography Program

Central Georgia Technical College

The Echocardiography degree program at Central Georgia Technical College received initial CAAHEP accreditation on March 31, 2015.

The program will publish a 3 year review window average results of the outcomes for national credentialing exam pass rate, retention, and positive placement of the accredited program.

2016 Results:

Retention: 9 students were selected based on competitive admissions in the Non-Invasive Echocardiography program. One student was readmitted from previous year, for a total class size of 10 students. As of Fall Semester, 2016 (201714) 50% (5 of 10) students were retained.

Credentialing exam pass rate: 100% (8 out of 8) students of the 2015 enrollment class, attempted and successfully passed the Cardiac Credentialing International's Registered Cardiac Sonographer examination on the first attempt.

Positive Placement: 100% (8 out of 8) students of the 2015 enrollment class, successfully attained employment.

2015 Results:

Retention: 16 students were selected based on competitive admissions; 10 students chose the Non-Invasive Echocardiography program. As of Fall Semester, 2015 (201614), 80% (8 of 10) students were retained.

Credentialing exam pass rate: No information to report at this time, program received initial accreditation in March, 2015.

Positive Placement: No information to report at this time, program received initial accreditation in March, 2015.

2014 Results:

Retention: No information to report at this time, program received initial accreditation in March, 2015.

Credentialing exam pass rate: No information to report at this time, program received initial accreditation in March, 2015.

Positive Placement: No information to report at this time, program received initial accreditation in March, 2015.
